PHILOSOPHY

Young children have an incredible capacity for learning but need guidance, encouragement, and boundaries lovingly set.

We embrace each child as a unique individual, a special creation of God; stimulate each child's emotional, physical, social, cognitive and spiritual growth; and provide developmentally appropriate learning experiences in a loving, caring, Christian environment.

Staff

Staff members possess rich and varied backgrounds, but share in common their love for children and dedication to Christian values and quality education. Teachers must have a bachelor's degree or 120 semester hour equivalence as required by the MSDE for nonpublic schools.

EDUCATIONAL PROGRAM

Instruction is based on the learning theories of Jean Piaget and other accepted authorities in child development and early childhood education. Educational materials and activities in art, language arts, math, music, physical education,

science, social studies and Christian education are provided appropriate to the varying developmental levels of the children. Themes or units of study relate to the child and God's world. Children explore God's world through classroom learning centers (blocks, computers, games and puzzles, housekeeping, library, play dough, sand and water play, science table, etc.), indoor and outdoor play areas, resource people and field trips

LEARNING IS FUN!

Admission

The Preschool and Kindergarten Program is in operation September through May following the calendar of the Carroll County Public Schools as much as possible.

Enrollment is open to students meeting the age requirements for the class for which they are applying; a child must be 2, 3, 4 or 5 years old respectively, on or before **September 1**.

The required forms for admission are an application form and Maryland Immunization Certificate which become part of the child's cumulative record. The registration process is completed when these forms and the registration fee have been returned by the date indicated on your application form.

Active Presbyterian Church members' children and siblings of current students have priority for enrollment until December 1st. After that point, classes are available on a first come – first serve basis. Other applicants receive priority as of the date they pre-register or are placed on a waiting list.

You are invited to call the Preschool office for more information or to make an appointment for a personal visit!

**Pre-registration
begins October
1st.**
